## ***Pride Security Global***

A pioneering security company providing bespoke, high end security within the UK and international destinations.

Pride Security Global was formed by the joining of 2 long standing security firms, Core Security and Pride Security. Having run successfully independently for years they combined experience, assets, staff, contacts and ambitions to create Pride Security Global. Immediately there was a perfect foundation to offer the highest level of security in Personal protection, Maritime security, residential security and more but to HNW clients and VIP's.

We are able to offer a range of services tailored to our client's individual needs ensuring their expectations are fulfilled to the highest professional standards.

Our highly trained operatives work in the UK and can travel to a destination abroad if required providing high level security for specific events, circumstances & time periods. Our services include, but are not limited to:

- Tailored Bodyguard Services.
- Escort Team (several Bodyguards).
- Close Protection Services.
- Venue security.
- Villa security.
- Maritime and Super Yacht security.
- Private events & parties - for both private and executive clients.

We service corporate, high net worth and celebrity clients and any legitimate persons requiring protective services, worldwide.

We pride ourselves on diversity, discretion and professionalism and our operatives all follow this ethos. Licensed to UK authority standards, SIA and CRB checked. From Close Protection and Bodyguards to Door supervision. Our staff are experienced in all areas. Including:

- Serving military and ex-military personnel
- Special Security Forces Army and Marines
- Ex-armed police and law enforcement officers
- Close Protection Officers
- Security instructors and highly experienced Door Supervisors.

Personnel are trained in many skills including threat and risk assessment, defusing hostile situations, first aid, IED and counterterrorism measures to name but a few.

We are discerning when employing our personnel, to meet our exacting standards, they must be approachable, courteous, discreet, well presented and highly professional with the ability to make the client feel secure and relaxed in any environment. We select the right people for the job depending on the needs of our clients. We can offer consultation and risk assessments to ensure the best protection.

## Bodyguards and Personal Security

Our licensed bodyguards and close protection operatives provide personal protection for the client in accordance with all his/her requirements and preferences providing personalised security solutions.

London attracts many high net worth clients so we provide a full security service to cater for any needs.

***Pride Security Global*** offers close protection services that will suit any interested individual and we are happy to make professional recommendations for your security based on our assessment of risk to the client.

We can tailor a full package service and provide:

- Initial consultation
- Luxury vehicle or vehicles
- Security Drivers
- Bodyguards for personal protection
- Escort Team with Luxury vehicles

## Maritime and Super Yacht Security

Private Super Yachts and Mega Yachts are a pirate's treasure chest. The owners of private yachts are extremely wealthy and this floating asset can be a soft target exposing clients and their family to many unknown threats.

For our Maritime Security Services, we utilise Royal Marines accustomed to working at sea on vessels, with ship crews and threats of danger and experienced maritime security officers.

**For full details please visit our website: [Pridesecurityglobal.com](http://Pridesecurityglobal.com)**

## Villa security and Protection abroad

A highly effective way of securing clients property, providing static or patrolling security services at clients premises and trust in securing surrounding areas. According to your preferences, ***Pride Security Global*** staff can be either a highly visible deterrent or a discreet presence.

## PERSONAL SECURITY ABROAD

Safety and security should never be taken for granted, especially in today's volatile climate. It is now commonplace to employ personnel as bodyguards and personal protection on holidays. ***Pride Security Global*** works with exclusive concierge, events and PR companies to protect clients that require that extra level of security abroad.

### **Events - Private Parties**

Our clientèle, both UK and International increasingly require security for private parties and events.

Pride Security Global provide highly experienced security staff with knowledge and expertise in dealing with high profile events and clients.

Smart and professional, security staff are discreet observers, will run the entry and guest list and make clients feel safe, valued and ultimately relaxed and secure at your event.

## Venue Security

### DOOR SUPERVISORS

Often referred to as bouncers and doormen, employed to ensure suitability of customers allowed into premises and/or to maintain order and public safety. Our door supervisors always maintain a professional and personable attitude.

***Pride Security Global*** can provide highly trained, experienced and fully licensed door supervisors to various locations. Our staff can make a difference to the security of your venue, providing a professional, safe atmosphere to your customers.
